"All Roads Lead to BSides London"

Toxic PDF

Good evening heroes,

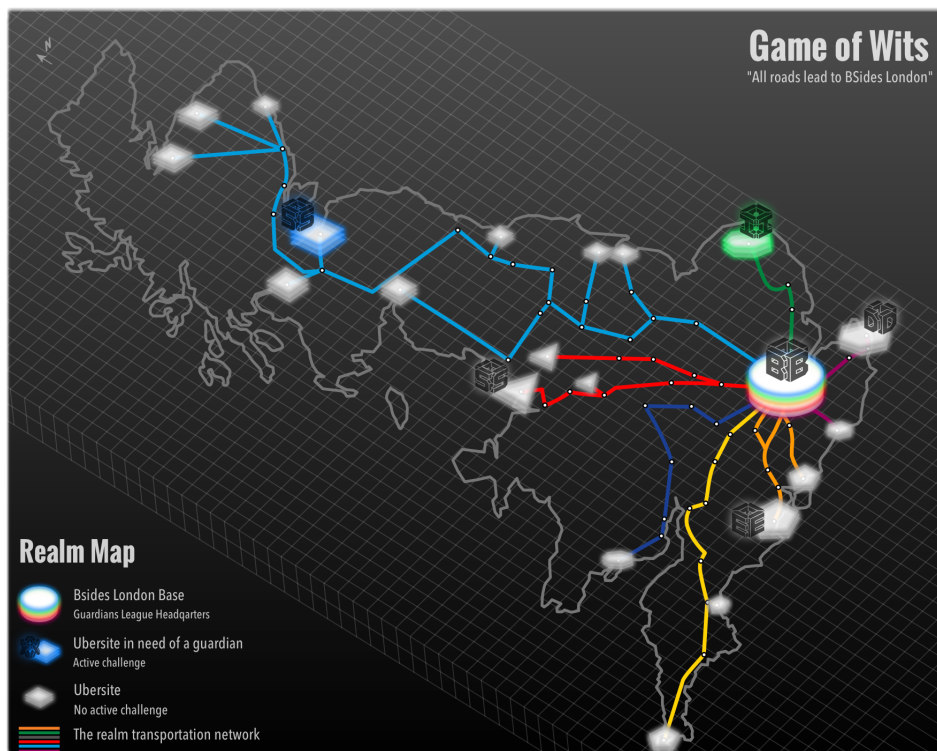

Welcome to the BSides London 2015 "Toxic PDF" challenge. The magistrate behind this trial is another well respected friend of ours [Liviú Itoafă](#)

Do not be scared to walk through the door (if you can) and be aware of the eggs.

Check out the Ubersite keep content to find out what prizes you could claim in case you get it right.

You know what to do when you see crackme.pdf, don't you?

If more people find the correct key, the most interesting, complete and well explained solutions will win the challenge.
